

# Secretary's Report to 2018 MCU AGM

1. As decided by the 2017 AGM the number of teams in Division 1 was to be reduced to 6 in the 2018/2019 season. An EGM was scheduled for West County Hotel, Ennis at 7:30pm on 24th September after the Munster Championship to agree the modified League Rules.
2. The existing League rules had become muddled due to various amendments over the years. Ted Jennings put forward a restructured League Rules document which consisted of an overall framework with related rules gathered together in appendices. This would make it easier to consider the impact of amendments.
3. Unfortunately a quorum was not present on the designated date. As required by the Constitution the EGM was rescheduled for seven days later at the Quaker Meeting House, Sackville Gardens, Limerick.
4. At this meeting the league rules were adopted with amendments. The new rules were published on the MCU Website before the first round of the league.
5. Data Protection queries raised by two individuals were responded to at the cost of significant time.
6. Some further updates were made to the website but the league administration still requires significant manual intervention.  
I'd like to thank the team captains and reporters whose efforts ensure that results are published to the ICU by midweek.
